Tanker Permits

International Milk Haulers Association Proposal

Inspections recognized and honored by all states

- ▶ Wisconsin already recognizes tanker inspections
- ▶ Wisconsin is on board with concept
- ▶ NCIMS/FDA is considering

Current rBST Affidavit rule change: IN PROCESS

- ▶ Request to remove the annual renewal requirement from ATCP 83
- ▶ Outcome – one affidavit on file at dairy plant for each producer.
- ▶ Producers that change plants or milk contractors would sign new affidavit once when they are picked up

Rule making process

- ▶ Public hearing occurred in December 2019
- ▶ Passed DATCP Board Jan. 2020
- ▶ Moving to Governor's office
- ▶ Then to legislature for passage

- ▶ A separate bill is also going thru the legislature that mirrors our rule rewrite.

Dairy Rules Advisory Committee

The **purpose** of the Dairy Rules Advisory Committee is to discuss issues related to the dairy rules or procedures that are impacting Wisconsin's dairy industry and suggest options for future rule revisions

A **voluntary effort** on the part of DATCP-DFRS, the dairy industry, and other stakeholders in Wisconsin dairy.

A **safe forum** to discuss industry challenges and priorities
